

Celebrate Epubor's 5th Anniversary

Dear Customers,

Thank you for joining us to [celebrate Epubor's 5th anniversary!](#)

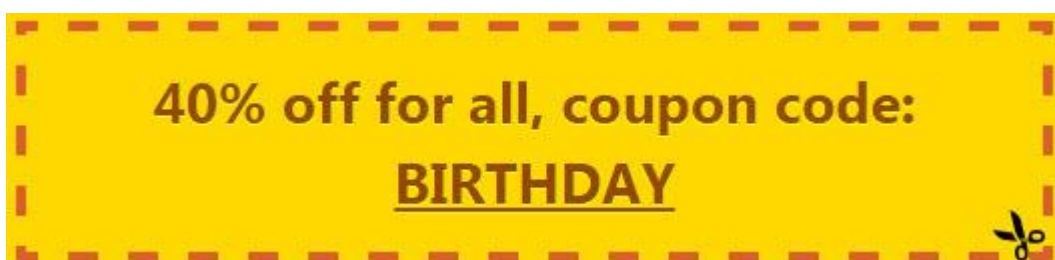

Part 1: 40% OFF for All Epubor Products

Epubor, an eBooks software provider, helps you read your books freely by drm removing, formats converting, metadata editing, etc.

What's New and unique:

1. We developed out our new eBook format conversion core – eCore. It's just 1MB while Calibre is over 100MB, and it's at least 5X faster than other eBook converters.
2. Epubor is the first one who worked out the solution to remove Kobo DRM 3.19.
3. Remove Nook DRM based on your B&N account info, not the billing info or the credit card number.
